

The 1100 Club and Century Club directly support West Virginia University football's recruiting budget. Membership offsets the ever increasing expenses associated with recruiting the nation's top student-athletes to Morgantown and become Mountaineers.

The success of Mountaineer football in the last decade is directly related to the unwavering support of 1100 Club members. Your membership allows WVU coaches to recruit the nation's best talent, who propel the Mountaineers to success in the Big 12.
