

FACULTY AND STAFF MEMBERSHIP BENEFITS

OVERVIEW

The Mountaineer Athletic Club (MAC) is the fundraising arm of West Virginia University's Department of Intercollegiate Athletics and operates in partnership with the West Virginia University Foundation, which is a 501(c) 3 organization. We seek to attract, enlist and retain members, whose contributions fuel the success of the entire intercollegiate athletics program.

As a member of the Mountaineer family, the Department of Intercollegiate Athletics thanks you for your ongoing support of our student-athletes in the classroom and on the field. Your devotion to providing a world class educational experience to all of our students allows WVU to continue to excel both academically and athletically.

Like no other time in our history, the commitment to a strong and highly competitive academic and athletic program is clearly visible. Athletic success is important to both WVU Athletics and to the University as a whole. WVU's athletic success results in pride amongst our students, alumni, friends, and the entire state. Athletic success is also a tremendous recruiting tool for the general student population, potential student-athletes, coaches, and most importantly, top notch faculty and staff.

WVU Athletics is a self-sustaining unit and receives no funding from the University or state. All student-athlete scholarship dollars are raised through private support. In fact, WVU Athletics submits a check to the University for over \$8 million each year to pay for all annual scholarship costs, room, board and fees for our student-athletes. Your gift, no matter the size, will make a significant impact on the lives of 500+ student-athletes
